PROGRAM OBJECTIVES

1. To enhance development of self-concept, character and personal growth through safe, educational and socially acceptable involvement and shooting activity.
 2. To teach safe and responsible use of firearms and archery equipment including sound decision making, self-discipline and concentration.
 3. Promote the highest standard of safety, sportsmanship and ethical behavior.
 4. To encourage participation in natural resources and related natural science programs by exposing participants to the content through shooting, hunting, and related activities.
 5. To expose participants to the broad array of vocational and life-long avocation activities related to shooting sports.
 6. To strengthen families through participation in life-long recreational activities.
 7. To complement and enhance the impact of existing safety, shooting and hunter education programs using experiential educational methods and progressive development of skills and abilities.
- The program is open to all 4-H members age 10 and above. However, the following minimum ages for participation will apply. Age determination is based upon the OK 4-H Membership Policy. If a youth turns 10 on January 10th, he/she would still be considered to be 9 for that entire year. Youth can participate in contests beyond county level 30 days after enrollment AND after successfully completing the appropriate discipline training.

I _____ parent/guardian of 4-H Member _____ give permission for my child to participate in Beckham County 4-H Shooting Sports. I also understand, due to the nature of the project a strict following of the code of conduct is required and that youth not complying with the rules may be released from the project until the next program year.
