April 2021

## - March Recap

We hope your spring is treating you all well! We are sure you all had a busy month of March full of stock shows and other events. With the month finally behind us and April here, we can continue on into our spring schedule of events. To end the month we had entries for Illustrated Talks that were submitted by club leaders on March 26th, with the results for all speeches to come soon.

## Dress Revue / Fabrics and Fashion - - April

Similar uploading details for Dress Revue will follow that of previous contests with leaders to assist entries at school or clubs with photos or videos sent to the OSU Extension Office for judging. All of us here at the OSU Extension office know the month of April is a busy month with state testing and we understand that some clubs want to take the route of a club only contest. We hope to have all entries submitted in for judging by April 30th. We are happy to assist you and your clubs with any rules or details you may need.

## Culinary Contests to be Held in May

Hopes are high for the culinary contest to return this year as it has in previous years, updates will follow as we are seeing possible changes with Coronavirus restrictions to come.

## Summer Camp to be Held in June

With restrictions looking to possibly allow summer camps and OSU Campus open to hosting, we are moving forward with our Caddo County 4-H Summer Camp for tentative dates of June 8, 9, 10. The camp is planned to be a day camp unless we are further notified of changes that will allow over night stays. If you have any questions or input for our planning of 4-H Summer Camp 2021 please do not hesitate to reach out via phone or email.
