### Current plans for Dicamba Training

Many cotton and soybean producers will need Dicamba Training this Spring. Dr. Todd Baughman will be offering the following Dicamba **ZOOM** Trainings to Oklahoma Applicators:

- Thursday April 2 – 7:00-7:30 PM
- Monday April 6 – 7:00-7:30 PM
- Thursday April 9 – 11:30 AM – Noon

Before joining a Zoom meeting on a computer or mobile device, you can download the Zoom app from <https://zoom.us/download> or from your mobile App Store. (instructions for Zoom are on page 2 of this newsletter) Applicators will be able to sign-on and watch video from their home or workplace. At the end of the training they will be able to sign-on to a weblink to fill out the necessary documentation and receive credit for the training.

The Dicamba Zoom Training Link for all meetings is: <https://dasnr.zoom.us/j/7058914109>

If you have any questions or comments please do not hesitate to contact David Nowlin at the Caddo County OSU Extension Office or contact Todd Baughman at the email address below.

### PSI Testing Sites—Closed

We have been notified by the Oklahoma Department of Agriculture, Food, and Forestry (ODAFF) that all PSI testing sites have closed. Everybody that had an exam scheduled was notified of the closure. No date has been set for re-opening of the sites. ODAFF is looking into certification alternatives, but nothing has been determined as of yet.

Starting January 1, 2020 all Private Applicator testing began going through PSI, ODAFF no longer provides the testing. More information can be found at these websites.

### Caddo County OSU Extension Office on Public Lockout

The Caddo County Extension Service is on public lockout. In accordance with health official guidelines, we are practicing social distancing.

We are temporarily operating by telephone and emails while being responsive to university and county business needs.

We are open weekdays 8:00 am to 4:30 pm

### Submitting soil or forage samples

#### Take them to the back door

- Step 1. Call 405-247-3376**
- Step 2. Complete paperwork**
- Step 3. Leave samples in the Container**

*We will accept OSU Soil, Water, and Forage samples as long as our office and the OSU laboratory stay*

## CADDO COUNTY EXTENSION

Caddo County Cooperative Extension Service  
Oklahoma State University  
1202 E. Central Blvd  
Anadarko OK 73005

### Dicamba Zoom Training

Many meetings are going to be held by webinar, one of the main webinar software that OSU uses is called **ZOOM**.

#### What do I need to participate?

Before joining a Zoom meeting on a computer or mobile device, you can download the Zoom app from <https://zoom.us/download> or your mobile App Store. Otherwise, you will be prompted to download and install Zoom when you click a join link. (It is recommended to download the software prior to the meeting since download is not instantons and could result in attendee missing part of the training).

To join a Zoom meeting or webinar, you will need:

- An internet connected computer, laptop, tablet, or smartphone. Alternatively, you can join by calling the conference number.
- Your meeting ID number.
- If participating with a desktop, laptop, tablet, or smartphone, a headset or ear buds are suggested.

Once inside the Zoom meeting or webinar, the Zoom Menu Bar appears at the bottom of the Zoom window. (The bar disappears after a few seconds but reappears when the mouse is moved.) Options for participants in Zoom Meetings: mute/unmute your audio and microphone, stop/start your video, open the chat window, and exit the meeting.

**Participants can join a Dicamba Zoom Training meeting by:** Clicking on the link distributed by the host: <https://dasnr.zoom.us/j/7058914109> going to <https://dasnr.zoom.us/> clicking on "Join a Meeting" and entering the Meeting ID: **705 891 4109** or calling the audio call-in number:

One tap mobile: +16699006833,,7058914109# US (San Jose); +13462487799,,7058914109# US (Houston); Dial by your location: +1 669 900 6833 US (San Jose), +1 346 248 7799 US (Houston), +1 646 876 9923 US (New York), +1 253 215 8782 US, +1 301 715 8592 US, +1 312 626 6799 US (Chicago)

**Meeting ID: 705 891 4109**

### Find Farm Management Resources from the Field

Producers can find information on farm financial management, production, marketing, and risk management topics through their smartphone by visiting the e-Farm Management website. This site contains videos, decision tools, and publications for farmers and ranchers to strengthen their farm management skills.

In the Types of Tillage video, viewers learn about the two main categories of tillage. The video examines the purposes of and distinguishes between primary and secondary tillage. Finally, viewers learn about ways to decide which type of tillage to use based on their end production goals.

To view this video and find additional information on grain production visit: <http://agecon.okstate.edu/efarmmanagement/grain.asp>.

More information on this and other farm management topics may be found: 1) by contacting your nearest Extension Educator (<https://extension.okstate.edu/county/index.html>) 2) on the e-farm management website (<http://agecon.okstate.edu/efarmmanagement/index.asp>) or 3) on the OSU Ag Econ YouTube Channel (<https://www.youtube.com/user/OkStateAgEcon>).
