We shall endeavor to discover the potential in our children and our neighbor's children and to help them develop their personalities in such a manner that they make a worthwhile contribution to life.

We shall maintain high standards in our homes through research and education to promote better use of our environment and better living conditions for all.

We shall encourage a faith in a God of love who is forever revealed through natural laws and human personalities.

We shall have faith that strong leaders shall go forth from our homes and communities, carrying with them throughout the universe the ideals that we have proclaimed.

All OHCE members’ pennies collected each year are used to help with those expenses. Money is sent directly to the ACWW.
