CODE OF CONDUCT - Rules and Disciplinary Procedures

Rules Participants and Parents Need to Know:

These guidelines are not “all inclusive”, the Extension Service reserves the right to make adjustments to the Code of Conduct.

Section I. In seeking uniformity in the conduct expected at each county, district, state, national, and international 4-H event, the following guidelines have been developed.

- Each participant has a reasonable expectation to enjoy a positive program experience. Therefore, the misbehavior of one participant, or a group of participants, will not be permitted to negatively impact the program experience of others. Most programs are short in duration, so prompt action is required when problems occur.
- All rules and regulations governing an activity, event or facility use will be discussed with educators, certified volunteers, parents and 4-H'ers prior to or at the beginning of each event.
- All 4-H'ers are under the supervision of **any** Extension staff or certified volunteer(s) assigned to the event.
- If the 4-H'er is found in violation of the Code of Conduct and disciplinary action is required his/her parent/guardian will be notified immediately and the 4-H'er may be suspended from participation in county, district, state, national and international 4-H activities and/or membership revoked. As deemed necessary, the appropriate County, District or State 4-H Office will be notified of disciplinary action.
- Participants dismissed from a program for disciplinary reasons will not receive a refund on any fees paid to attend.
- If a 4-H'er wishes to appeal the disciplinary action he/she must appeal in writing through their County Extension Office. Appeals must be filed within 30 days following notification of punishment. As necessary, the State 4-H Leader shall appoint an appeal board, no sooner than 30 days following the date of notification of the disciplinary action.
- Participants are responsible for securing their belongings. Neither Oklahoma State University, nor Extension Staff or certified volunteer, is responsible for lost or stolen items. Leave excess money and valuables at home. Valuables brought to the program are at participants' risk and can only be used at free or other authorized times.

Section II. The following actions will be considered a **serious** breach in conduct. This is not an all-inclusive list of conduct violations.

- **Misconduct is deemed in violation of a law** - The appropriate law enforcement agency will be notified.
- **Assault or Personal Harm** – Inflicting physical or emotional harm on self or others.
- **Bullying and Harassment** – Physical, emotional, or electronic harassment/harm against self, fellow participants or staff.
- **Possession, distribution, sale or use of: illegal drugs/substances; alcoholic beverages; any form of medical marijuana; marijuana by-products; tobacco or vapor products; fireworks; or weapons** (does not limit the use of approved sporting arms when and where authorized).
- **Sexual Misconduct – Engaging in contact of a sexual nature.**
- **Coed Visitation**—Coed visitation is permitted only in designated common areas, not in sleeping rooms. It is recognized that circumstances may arise for justifiable exceptions to this policy. However, in every case, permission for exceptions must be secured from chaperone in advance.
- **Theft, Misuse or Abuse of Public or Personal Property** - Any damages caused by neglect or misuse will be charged to the responsible party. Replacement cost will be charged to anyone who removes or damages property. Any individual found tampering with any fire equipment (e.g. fire extinguishers, fire alarms, smoke detectors, etc.) will be dismissed from the Program immediately. Participants may not interfere with any security system or tamper with locks in participant rooms and other areas. All furniture must remain unchanged and kept in place.
- **Search of Property** - If a question regarding any of the above is raised, 4-H member consents to a search of his/her room and/or personal property. Failure to comply will result in violation of the Code of Conduct.

Section III. The following actions will be considered a breach in conduct. This is not an all-inclusive list of conduct violations.

- **Breaking curfew and/or disturbing the peace** - Participants will abide by curfew.
- **Violating the Dress Code**
- **Use of Abusive and Offensive Language**
- **Unexcused Absence** from the activities of the event - Participants are to remain on the event site and attend all workshops, classes, and planned social or recreational activities for the duration of the program unless program activities require otherwise. If a participant needs to leave campus or event site, supervising Extension staff or certified volunteer must have prior written approval from the parent or guardian and agree to grant specific permission.
- **Unauthorized Use of Vehicles** during the event - Participants are not allowed to drive or ride in personal vehicles during the dates of the program unless they receive specific permission to do so from their supervising extension staff or certified volunteer. While we understand that some participants will drive to the event, our policy is that participants should not be driving during the event. Participants may be asked to turn their car keys in to the supervising staff or certified volunteer for the duration of the program.
