

HARPER COUNTY 4-H RECORD BOOK KIT

Project Records Run From July 1st _____ till June 30th _____

Here is your supply of forms to start your very own Harper County 4-H Record Book. These are only the basic forms you need for your book. As you begin keeping records of your 4-H work, you will find more details that you wish to record. Additional forms are available at the OSU Extension Center or your local 4-H Organizational Leader to help you expand your record book or you may use your own creativity to make your own forms.

Assembling Your 4-H Record Book (Secure all materials in 4-H Record Book Folder)

1. **Cover Page** – (“My 4-H Record Book”) – you may decorate this page
2. Personal information/**Photo Page**
3. Blank divider page with **tab** for “**Table of Contents**”
4. **Table of Contents** – list all pages
5. Blank divider page with **tab** for “**4-H Story**”
6. **My 4-H Story** – Your 4-H Story shows growth in your 4-H work by telling in story form your most outstanding accomplishments, funny things that have happened as well as disasters. Avoid a year-by-year-listing of what you did, but may include work all the way back to your first year. Don’t save the best for last, put it near the beginning to catch the reader’s interest. Try to show the human interest side of what 4-H has done for you, your family, your community and how it has influenced your future plans in 4-H and in life. Be specific—explain what you mean when something is “great” or “wonderful.” Ask someone to read your story to check for mistakes and clarity. If something is not clear, rewrite it.
