## **ATTENTION SAME DAY REGISTRATION PROCESS!**

The OSU Animal Science Field Days will be held July 20-22, 2021 at the OSU Animal Science Arena. We will keep the traditional “Big 3” day order with the Sheep Field Day being held on Tuesday, the Beef Field Day on Wednesday, and the Swine Field Day on Thursday. We will use the same scoring process as previous years and will officially score every participant each day. You will not be required to post scores on the first two days.

*We will be using [www.judgingcard.com](http://www.judgingcard.com) for scantron tabulation.*

### **Team**

- **3-Day registration: \$30** (one time register for all 3 days Beef, Sheep, Swine)
- **Daily registration: \$20** (register each morning Beef, Sheep, Swine)

**\*\*To be considered for sweepstakes, 3 day registration is REQUIRED)\*\***

### **Individual**

- **3-Day registration: \$10** (one time register for all 3 days Beef, Sheep, Swine)
- **Daily registration: \$5** (register each morning Beef, Sheep, Swine)

**\*\*Payment will be made at contest registration the day of contest.**

Paid registration entitles all participants to contests, workshops, and provided meals unless otherwise stated.

# BIG 3

*Field days*

- OSU ANSI “Big 3” Field Days’ method for calculating overall team sweepstakes will be determined by simply adding each team’s daily total (minus the low drop from each day).

- A team competing at the “Big 3” Field Days is required to have all competing members from the same school FFA chapter to compete in both Junior and Senior FFA divisions. A team competing at the “Big 3” Field Days is required to have all competing members from the same county 4-H program to compete in both Junior and Senior 4-H divisions. The “Big 3” Field Days contest is open to all states, but regardless of state orientation or state program national 4-H and FFA team guidelines, to compete at the “Big 3” event, all teams must abide by the above listed same county and chapter guidelines. And, all 4-H and FFA contestants are required to be bonafide members of the programs they are representing.

- A \$500 scholarship will be awarded to the senior sweepstakes winner in both of the 4-H and FFA divisions. The scholarship will be funded by Farm Credit in Enid.

- *We will pull cards* from contestants who talk during the contest. Teams must remain the same throughout the three days to be considered for the sweepstakes award. Switching team members from one team to another will automatically eliminate the team from the sweepstakes competition.

**\*Students are considered eligible to judge through the summer following their high school graduation as a continuation of their FFA or 4-H membership.**
