ANNOUNCEMENTS

The Board of Directors of the Kay County Free Fair Board, Inc., takes pleasure in presenting herewith the Premium List, Rules and Regulations governing the Annual Free Fair, to be held at the Fairgrounds in Blackwell, Oklahoma, in September. Please note that the fair opens on Tuesday.

IMPORTANT NOTICE

The 107TH & 108TH anniversary of the Kay County Free Fair, promises to be one of the best fairs in the history of this event.

The Board of Directors of the Kay County Free Fair Board, Inc. wishes to take this opportunity to welcome all Kay County residents to exhibit and attend the Kay County Free Fair.

Every effort is being made by the board to make this a successful fair with a large number of quality exhibits, plenty of entertainment and a place for you to meet your friends.

With your cooperation, we believe that a very successful fair can be held this year which will not only have an educational value, but will also assist in maintaining the morale of Kay County farmers, 4-H and FFA Club members and encourage the production of more and better quality food products.

This catalog, including the premium list, for the **2024-2025 Kay County** Free Fair, is being printed previous to final action on the Kay County Free Fair Board, Inc., Estimate by the County Commissioners and the Kay County Excise Board. The catalog is being issued, therefore, with the distinct understanding that if, for any reason whatsoever, sufficient funds are not available to pay in full premiums and awards as listed, the Kay County Free Fair Board, Inc., reserves the right to prorate premiums on a percentage basis. The attention of all exhibitors is especially called to this condition and provision, and exhibits are accepted only with this definite understanding.

It is a well-known fact that up to the present time it has never been necessary in Kay County to prorate premiums, the appropriations for the Fair having been sufficient in every instance to pay all premiums in full. It is the opinion of the Board that this will also be true this year, and it is not anticipated that **proration** of premiums will be necessary. The Board solicits your continued

cooperation on the above conditions, with the hope and belief that the appropriation will be sufficient to pay all premiums in full and that it will not be necessary to take into account the above provision.

It is the purpose of the Board of Directors to do everything that is possible to make this Free Fair a success and to add to the comforts, pleasures and conveniences of the visitors and exhibitors who attend.

Our Fair last year was a success, and with the past experience we hope to be able to serve the people who contributed. We hope our agricultural exhibits will be better and larger this year, which will demonstrate that Kay County is second to none in the State.

The agricultural exhibits will clearly portray the wonderful agricultural resources of the County; the livestock show will be evidence of the fact that Kay County is outstanding from the stand point of the quality of the livestock.

In the Women's Department the exhibits of the thrifty home-makers of the County will be on display.

The Free Fair Board, Inc. earnestly solicits your support and your cooperation in making this Fair a success, as no other factor does more to stimulate and improve farm conditions than Agriculture Fairs, where one may observe the improvements of farm crops and animals and compare them with their own.

The management appeals to you to lend your support by bringing exhibits, boosting and attending. It is upon your support that we depend for a successful Fair.

4-H BUCKET CALF PROJECT

This project is designed to introduce youth 5-12 years-old to beef and dairy 4-H projects. By allowing younger children the experience of working with a smaller, less intimidating size of animal; they become comfortable with beef and dairy cattle as they grow. This is designed to be a short-term project with calves purchased in May and finalized with showing at the local County Fair.

A bucket calf is an orphan or newborn calf purchased when they are one to ten days old. The

calves may be male or female, beef or dairy. The calves are started on a bottle (or bucket) and nipple.

Calves should be purchased between May 1st and May 31st of the current year. You must notify the County Extension Office by June 1st that you have purchased a bucket calf to prove ownership.

The Bucket Calf Project is entirely an educational experience. The animal is not judged for quality, but the person and calf are judged on how well it was taken care of through the interview process at the County Fair.

Judging of the Bucket Calf Project is done on a Danish system with blue, red and white ribbons awarded because EVERYONE is a winner who participates.

Recipes winning first place at the 2023 State Contest are ineligible to be used in the 2024 contest.

Each entry must be prepared and baked by the person whose name is on the entry form, with phone numbers submitted on the entry forms.

The same person may not win Champion, Reserve Champion or Bread Machine Class. Two separate people should win unless entries do not offer that selection. **(Duplicate recipes may not be entered by different family members in any class or division.)** The recipe must accompany entry at county and state level. Entries that are eligible to compete at state level will provide 2 copies of the recipe – one at county fair (which will be mailed to Commission office by County Extension Educator) and bring one with entry at the state competition.

The “Best of Wheat”, sponsored Bread Baking Contest is to be judged separately from the county fair open class division. County Champion and Reserve Champion from each division are eligible for state competition (see exception below) at the **State Fair of Oklahoma on September 22, 2024.**

One (1) Bread Machine entry from each division, class #'s 6 and 12, determined by county judge, will be eligible for competition at state level. Bread machine entries will not be eligible for County Champion or Reserve Champion at county level or eligible for Grand Champion at State level or silver tray award. First through 5th place ribbons will be awarded to the bread machine class in both divisions at the state competition. If any part of the recipe is done with a bread machine, then the recipe will be classified in the bread machine category.
