COUNTY RECORD BOOK GUIDELINES

Project Records Run from <u>June 1, 2023 – May 31, 2024</u> (information from State 4-H Office regarding age requirements are staying the same beginning September 1st even though you can enroll on August 1st).

(ending date is year completed for reporting purposes in this book)

Keeping a record of your project activities is an important part of 4-H. Good records are helpful when you apply for awards and when you just need to know when you participated in a particular activity.

Your County Record Book provides a good place to write down all the things you do in 4-H. Keeping your report form from year to year in one folder will help keep all your information today. These books are in the Kay County Extension Office.

ELIGIBILITY:

- 1. Must be least eight (8) years of age and in the 3rd or older by September 1st of the year qualifying for the medal or certificate.
- 2. May receive up to four (4) medals per year.
- 3. Age Groups as of September 1st
 - a. Junior 8 years of age and in the 3rd grade -11 years of age (grades 3-5)
 - b. Intermediate 12-14 years of age (grades 6-8)
 - c. Senior 15 years and older (grades 9-12)
- 14 years and up can complete a State Record Book. To be considered for a county award other than their State Record Book Project, the 4-H'er must complete project sheets for the medal(s) they are applying for. Record Book Covers are in the Kay County Extension Office for \$3.00 each.

PROJECT OBJECTIVES:

Read the 4-H project objectives for all projects you are involved in. These objectives should be reflected in your project work.

Age	Project Work Activities	Speaking/Demo/ Presentations	Leadership Activity	Citizenship Activity
Junior	4	1	1	2
Intermediate	6	2	2	4
Senior	10	3	3	6

COUNTY RECORD BOOK:

- 1. Must meet age requirements to submit a record book.
- 2. Information must be provided on the County Record Book forms which ae available in the Extension Office or on the County website: https://extension.okstate.edu/county/kay/click on Kay County 4-H go to resources and click on record book.

- 3. Record book can be printed neatly in black ink, typed, or completed by computer word processing. Type should be no smaller than 12 spaces/inch or size 12 word processing font and 6 lines/inch.
- 4. Boldfacing or underlining of information in the report form should be used only to enhance information. Overuse defeats the purpose and value of bolding or underlying.
- 5. May organize in any format any format. Can use bar graphs, pie charts, or color print to emphasize information.
- 6. Sheets may be printed on one side only.

Assembly Your 4-H Record Book

You will at least have 5 tabs depends on project medals/certificates you are applying for:

Cover Page

1. Awards/Trips/Conferences

- a. Awards/Trips/Conferences
- b. Dan Forth I Dare You Award/Application
- c. Junior Achievement/Teen Leader Point Sheet

2. Story

- a. My 4-H Story (Maximum of 6 pages long) An important part of your record book. The story should focus on the projects which you are applying for medals. You should include information about the other projects you have participated or worked in. Include funny, distressing, or unusual experiences encountered in your 4-H work. Write about your most outstanding accomplishments and the impact 4-H has in your life. Include your future plans.
- 3. Project (Please complete a set of project sheets for each project you are applying for an award in). (Place each set of project sheets behind its own tab and label the tab with the project name).
 - a. Section I-A Participation in the 4-H Project What have you done in this project? Report the steps you have taken in this project to meet the stated objectives of the project. Include the amount of project work, such as numbers of animals you cared for, the articles you made, the time you spent, your activities, etc. In addition, list related experiences such as tours, field trips, judging contest, exhibits, etc.
 - **b.** Section I -B What you learned in this project What you learned in this project: List what you learned as a result of participating in this project. Also list skills you have acquired relating to the project.
 - c. Section II Leadership Experience Include projects. List your leadership participation in 4-H including offices and committees. Include things you have done by yourself or with other to help with 4-H program. Include such things as helping,

- teaching organizing camps, club activities, fairs, workshops, etc. Indicate the project(s) the activity related to, the number reacted, and the level Local (L), County (C), District (D), or State (S)
- **d.** Section III Civic Engagement/Citizenship Include projects. List your citizenship/community service experiences. Include things that contribute to the welfare of your community, other individuals, or members of your club or group. Explain what you did and how many people were affected. Incidate the project(s) the activity related to, the number reached, and the level Local (L), County (C), District (D), or State (S)
- e. Photo Page include caption by each picture; two pages per project Include pictures that reflect your project work. Each project can have two (2) pages of pictures with (3) pictures per page and no more than six (6) pictures total for each project. Color reproductions, scanning of copies of photos can be used. You may mattee your pictures, add stickers, but do not shingle. Make sure you include captions with each photo. DO NOT USE ANY ITEMS SUCH AS NEWSPAPER CLIPPING, RIBBONS, BROCHURES, ETC. REMEMBER THIS IS A RECORD BOOK NOT A SCRAP BOOK.
- 4. **Section IV Awards in all 4-H Projects** List the most important or meaningful awards you have received in school, church/faith, or community organizations.
 - **Section V Non-4-H Experiences** List your must meaningful non 4-H experiences. You may include experiences and reorganization you have received in school, church/faith, or community organizations.
- 5. **Past Year(s)** Place your current year in front of your previous year pages. When adding new projects, keep your old project work behind their tabs, adding new tabbed dividers for the new project(s).

Material should be secured in a 4-H folder in the order listed. Each section should be tabbed included a separate tab for each project.

My 4-H Story

Your story is an important part of your 4-H record. The introductory paragraph could include things as reasons for joining 4-H, things that make 4-H interesting to you and how you have helped other 4-H members. It should focus on the projects or activities in which your record is to be considered for medals or certificates. You may include reasons for selecting the project(s), new things learned and a plan for the future.

Section I-A – Participation in the 4-H Project: What have you done in this project?

Section I-A – Participation in the 4-H Project: What have you done in this project?

Section 1-B What have you learned in this project? (1 page)
