CODE OF CONDUCT - Rules and Disciplinary Procedures

These guidelines are not "all inclusive", the Extension Service reserves the right to make adjustments to the Code of Conduct.

Rules Participants and Parents Need to Know:

- I. In seeking uniformity in the conduct expected at each county, district, state, national, and international 4-H event, the following guidelines have been developed.
 - Each participant has a reasonable expectation to enjoy a positive program experience. Therefore, the misbehavior of one participant, or a group of participants, will not be permitted to negatively impact the program experience of others. Most programs are short in duration, so prompt action is required when problems occur.
 - All rules and regulations governing an activity, event or facility use will be discussed with educators, certified volunteers, parents and 4-H'ers prior to or at the beginning of each event.
 - All 4-H'ers are under the supervision of **any** Extension staff or certified volunteer(s) assigned to the event.
 - If the 4-H'er is found in violation of the Code of Conduct and disciplinary action is required his/her parent/guardian will be notified immediately and the 4-H'er may be suspended from participation in county, district, state, national and international 4-H activities and/or membership revoked. As deemed necessary, the appropriate County, District or State 4-H Office will be notified of disciplinary action.
 - Participants dismissed from a program for disciplinary reasons will not receive a refund on any fees paid to attend.
 - If a 4-H'er wishes to appeal the disciplinary action he/she must appeal in writing through their County Extension Office. Appeals must be filed within 30 days following notification of punishment. As necessary, the State 4-H Leader shall appoint an appeal board, no sooner than 30 days following the date of notification of the disciplinary action.
 - Participants are responsible for securing their belongings. Neither Oklahoma State University, nor Ext. Staff or certified volunteer, is responsible for lost or stolen items. Leave excess money and valuables at home. Valuables brought to the program are at participants' risk and can only be used at free or other authorized times.

Participants may not interfere with any security system or tamper with locks in participant rooms and other areas. All furniture must remain unchanged and kept in place. • Search of Property - If a question regarding any of the above is raised, 4-H member consents to a search of his/her room and/or personal property.
