Dedication

William Sheets is a lifelong resident of Noble County. Willie, as most of us know him, learned his work ethic at a young age, when he began working in his family's plumbing business at the age of 16, and was a fourth-generation plumber when he retired. His faith is strong, and he attends the First Christian Church of Perry. He graduated from Perry High School in 1969 and from Northern Oklahoma College in 1972. He is married to Kim and they have three children, five grandchildren and two bonus grandsons. His son Jay and his wife Dawn, of Forney, Texas have two children. His son Brandon

and wife Kynda, of Perry, have 3 children. Willie's daughter Maranda and her husband Chad, of Perry, have 2 children. Willie has followed his grandkids' hog and sheep endeavors and is beginning to learn how to show rabbits.

In 1979, Willie moved his family to the country, where they raised their 3 children, along with sheep, bottle calves, hogs and presently cow-calf pairs. In high school Willie was active in the Rose Hill 4-H group, serving as camp counselor at Lew Wintz, and showing duroc hogs. He would go on hog buying trips with Extension Agent Bill Rickie, and friends, allowing him to visit most of the state of Oklahoma by the age of 18. He earned the Silver Clover 4-H award and assisted his three children in their different 4-H activities and projects. He was a 15-year board member of the Noble County RWD2. He is a charter member of the Perry 4-H and FFA Livestock Booster Club. He spent about 10 years on the booster club's Pork Chop Supper committee, as one of the chefs. Willie was a 15-year member of the Noble County Fair Board. While on the board he was the "driving force" to get new pens established for the small animals. He actively designed, found funding for, and helped build the pens the kids have today. He continues to support the kids of Noble County by attending many of the events held. It is with much thanks and gratitude for years of service, that the Noble County Fair Board dedicates the 2024 Junior Spring Livestock Show to William Sheets.

Many Thanks!

Thank you for your support of the 4-H and FFA exhibitors in the Noble County Spring Livestock Show. The exhibitors look forward to showing all year long and it wouldn't be possible without the commitment from parents, grandparents, friends, neighbors and community businesses. Your continued support is vital to the success of our exhibitors!

4-H and FFA programs across Oklahoma play a vital role in teaching Oklahoma's youth practical and life skills. Showing livestock not only gives youth the opportunity to learn how to care for and raise show animals, but it also fosters responsibility, work ethic, social skills, sportsmanship, leadership and confidence.

Another positive aspect of raising and showing animals is that it can be a great activity to bring families and communities together. While carrying out the everyday activities of raising animals, sometimes we forget about the time we spend together building relationships and making memories that will last a lifetime.

So again, thank you for your support, not only this week, but all year long. You are not just supporting the local stockshow, you are supporting the personal growth and development of each of the exhibitors here and making an impact on the future leaders they will become!

Noble County

LIVESTOCK SHOW & PREMIUM SALE

FEBRUARY 19-22, 2024
Noble County Fairgrounds
