## THE OBJECTIVES OF THE OKLAHOMA COUNTY FREE FAIR

The Oklahoma County Free Fair continues to stress quality in the areas of agriculture and related youth and adult activities. It gives all who enter exhibits an opportunity to compare efforts with those of others in the county, the intent being that success in exhibiting will stimulate exhibitors to greater efforts, while providing an opportunity to learn from others who have higher ranked exhibits. It is the purpose of the Fair Association to make the Free Fair educational and to encourage cooperation among all persons in the various communities of the county.

The management of the Oklahoma County Free Fair is in the hands of the Oklahoma County Free Fair Board which is composed of three elected members from each Commissioner District. The active management of the fair is in the hands of an Executive Board consisting of a president, vice-president, secretary and six board members.

The Oklahoma County Free Fair is financed by taxation. No admission charge will be made and no entry fee will be charged.

The Oklahoma Cooperative Extension Service is an equal opportunity/equal access/affirmative action institution. If you require a reasonable accommodation to participate or need materials in another format, please contact your County Extension Office (or other appropriate office) as soon as possible.

All premiums will be held up in the class in which an exhibit is protested until protest is settled. Further placings will be made so that they might move up to a higher premium in case the protested exhibit is eliminated.

#### **Rule 5 - Other Rules**

Other rules are listed under each Department.

**Section 1.** The Executive Board reserves the final and absolute right to determine all questions regarding the awarding of premiums.

**Section 2.** In addition to the right of protest herein guaranteed to exhibitors, the Directors reserve the right to take cognizance of **fraud** consummated or attempted in connection with an exhibit and take such action as they may deem just and proper.

horses per age division (8-11, 12-14, 15-19). Those horses must be shown and/or ridden by that contestant only. A contestant or a horse cannot enter or show in the same class twice. All riders are required to wear safety helmets during speed events. Helmets will not be provided. All riders are required to wear an assigned number while competing. Failure to do so results in disqualification. The judge or designated show official has the authority to excuse from competition any horse deemed unsafe and/or out of control. Inhumane treatment of a horse identified by the designated officials may result in disqualification, dismissal and suspension from further participation in the show. All performance classes and proper attire will be judged according to the 2020 Official Handbook, Rules for Oklahoma 4-H District and State Qualification Horse Shows. No stallions will be allowed on show ground premises. **No adults may ride or train horses the day of the youth horse show.** Horses must be pre-entered by Thursday, August 13, 2020, at the OSU Extension Center. When pre-entering, at least one parent/guardian per 4-H/FFA member must sign up to work at the show. Jobs will include gatekeeper, ring steward, announcer, ribbon distribution, set up and tear down of barrels, poles and jumps, and other jobs as needed. There will be no adding classes after pre-registration. Classes may be scratched during the show. It is the rider's responsibility to notify the show superintendent of scratched classes. Horses may move in to Barn 8 after 11:00 a.m. on Friday, August 21. Horses must be in place by 6:00 p.m. on Friday, August 21, and 8:00 a.m. Saturday, August 22.

High point awards will be calculated by the one horse/one rider rule and by the following formula: 8<sup>th</sup> place = 7 points; 7<sup>th</sup> place = 8 points; 6<sup>th</sup> place = 9 points; 5<sup>th</sup> place = 10 points; 4<sup>th</sup> place = 11 points; 3<sup>rd</sup> place = 12 points; 2<sup>nd</sup> place = 13 points; 1<sup>st</sup> place = 14 points. In classes with less than 8 participants, the last place will receive 7 points, adding 1 point per higher placing. Halter classes will not be figured into the total points earned. In the case of a tie, a designated event randomly selected before the start of the show by show officials will determine the winner. Highest placing in the event breaks the tie.
