WHAT DO MASTER GARDENERS DO?

The OSU Extension Master Gardener program was created in 1978 at the Oklahoma County OSU Extension Center. Extension Master Gardener volunteers help mentor the community regarding various gardening techniques utilizing sound horticultural practices with proven university research based information.

OSU Extension Master Gardeners are on hand at the Extension office to answer gardening questions Monday through Friday from 8:30am to 4:00pm by walk-in, phone, and email.

OSU Extension Master Gardener volunteers can also be found at fairs, gardening shows, farmers' markets, and state festivals of all kinds.
