

# Project Activity Record

## For My \_\_\_\_\_ Project

All activities reported on this form must be related to work done in this project.

Record activities cumulatively as you progress in your project work throughout your years of involvement.

To qualify for a medal:

- complete the requirements of project work at the desired level (bronze, silver or gold), and include the requirements from previous levels
- complete the corresponding level (bronze, silver or gold) of general 4-H activities for the current year.
- Add the five digit year (example 09-10) to the appropriate box when the requirement is met. (Use font size 6)
- Include a photo page in each project area. (max. one page per project per year. The only exception is photography which can have three pages per year.)
