

# 2020-21 Pontotoc County 4-H Enrollment Tip Sheet

## Enrollment Opens August 1, 2020

**Minimum Age is 8 Years Old & 3<sup>rd</sup> Grade By September 1, 2020**

**The 4-H Year is September 1, 2020-August 31, 2021**

1. New, never been enrolled in 4-H, members will need to create a family profile and then add individuals. This is a two-step process.
2. If youth or volunteers have ever been enrolled in 4-H in the past 4 years, DO NOT create a new family profile. You have a family profile with members. Creating another one under a different email will be deleted and you will be directed back to the original profile.
3. Use the same email and password to log in as previous years. You can change your password. If you do not know what email you used, ask first before doing anything else. If you wish to change the email, you must log in with the original email and then update your profile.
4. Paying the enrollment fee by debit or credit card is best but cash and checks are accepted. Sometimes cards are declined because the credit card company blocks the charges or doesn't recognize the vendor. You have 30 days to fully complete the enrollment process from new/update enrollment to payment.
5. Families with more than 3 members enrolled only pay a max of \$60. Please talk to Kim about receiving the discount before paying.
6. Members who will be participating in shooting sports practices/competitions or any travel or overnight 4-H activities at the local, county, district, state or national level should complete the online medical form. This is standard risk management practice for any of these 4-H activities.
7. Go to [ok.4honline.com](http://ok.4honline.com) and start your 4-H adventure! Firefox, Chrome and Edge browsers are best, Safari, not so much.
