

Three-step process to becoming a Certified 4-H Volunteer

NOTE: only completing step #1 does NOT make you a 4-H Volunteer, it's just the application.

#1

Go to <http://4h.zsuite.org> to enroll. Please use a valid and accessible email address that you can receive email at for further instructions as stated below.

#2

After enrolling, if you are new or had a lapse in being a certified volunteer, you will then receive an email *(to the email you provided online when you enrolled)* from Sterling Volunteers for your required background check. You may need to check your spam or junk box. This is not done yearly, but every few years as well.

#3

After you are deemed eligible from step #2, you will receive an email *(to the email you provided online when you enrolled)* from your county OSU Extension with instructions on how to complete the required Working with Minors and Title VII&IX Trainings. You are also notified whether you have been approved or denied.

EXTENSION

4-H volunteers have been positive role models who have the best interest of the youth and the 4-H program as their primary focus. However, we must realize that people, families, 4-H members, and most importantly, society has changed. Child abuse, liability, accountability, and credibility are concerns that confront every youth organization in our country. We must take the appropriate steps to ensure a safe and positive environment for everyone involved in the Oklahoma 4-H Youth Development program.

REQUIRED YEARLY of every 4-H Year
