Show Ring Code of Ethics

Believing it is in the best interest of all breeders of all livestock to maintain a reputation of integrity and to continue to present a wholesome and progressive image in the show ring, the following list of practices or procedures is, therefore, considered a violation of the Rules and Regulations governing this show.

1. Misrepresenting the age of the animal for the class in which it is shown.
2. Treating or massaging any part of the body internally or externally with an irritant, counter-irritant, or other substance to temporarily straighten a weak back or loin or produce unnatural animation.

4. Striking the animal to cause swelling.
5. Surgery or any other procedure performed to change the natural process of growth, maturation, contour or appearance of any animal to include teeth is prohibited. Not included is the removal of teats or horns, clipping and dressing of hair and trimming of hooves.
6. Insertion of foreign material under the skin.
7. Any attempt to change the natural color of an animal, either purebred or crossbred, by changing the color or adding false hair, fleece, or skin at any point, spot, or area of the animal's body.

For the purpose of these rules, the term legal drug shall mean any substance by which the sale, possession, or use of is controlled by license under federal, state, or local laws or regulations and by any substance commonly used in the medical or veterinary professions. The use of any chemical and/or compound that is not approved by the Food and Drug Administration or the Environmental Protection Agency. A positive drug test will result in disqualification, forfeiture of any premiums and/or awards. This will also exclude the exhibitors from the future livestock competition at the Tulsa County Fall Fair. All medications will be administered by a licensed veterinarian only and with the species superintendent's approval.
10. The practice of artificial filling by internally pumping or any other device is prohibited.
11. **Criticizing or interfering with the judge, other exhibitors, breed representatives or show officials before, during or after the event may result in an individual or group being expelled, placed on probation, declared ineligible, or barred from exhibiting at the event.**

Any violation of the Rules and Regulations specifically designed for the individual shows or the Show Ring Code of Ethics may result in forfeiture of all premiums and awards and the disqualification, expulsion or probation of the exhibitor, organized group, or any individual, or livestock involved. Probation, disqualification, expulsion or other disciplinary action of the Management will be final. Such action will require an application for readmission under such terms as the Management may prescribe before the group or individual is allowed to exhibit in future events.
