

Guidelines for Writing Your 4-H Story

You may use these pages to write your story, or you may hand-write up to **three pages** of notebook paper, or your story may be up to three pages typed, double-spaced. Have FUN with YOUR story!

Part I is the Introduction. Tell who you are? How old are you? Who are your parents? Do you have any brothers or sisters? Where do you live? Where do you go to school? How did you find out about 4-H? What are some of your favorite things to do? Add anything else you think would be interesting about you.

Start here...

Part II is the **Body** of your story. Tell about the project or projects you reported on in the project report form. Describe about the projects you reported on. How did you learn things about this project? What other experiences helped you? How did your project work improve, increase, impress, etc.? Include club experiences, too! What are some things you tried successfully or unsuccessfully? What did you do about it?

Part III is the Summary. Explain how your 4-H work has helped with other things you do. How has your 4-H work helped make a positive difference in your home, school, or community? Tell about special activities you did during the year. What are your plans for the future either in 4-H or other life goals?
