

|   | I have done this | I need to do this | This does not apply to me |
|---|------------------|-------------------|---------------------------|
| <b><i>Can people find your home in an emergency situation?</i></b>  |                  |                   |                           |
| Make sure the address is clearly marked on your home and/or mailbox |                  |                   |                           |
| Make sure the doorbell/knocker works                                |                  |                   |                           |
| <b><i>Do you have safe stairways?</i></b>                           |                  |                   |                           |
| Repair any loose or broken stairs                                   |                  |                   |                           |
| Use a level to check for levelness                                  |                  |                   |                           |
| Repair any loose railings   |                  |                   |                           |
| Remove ice and snow from steps and sidewalks                        |                  |                   |                           |
| <b><i>Do you have safe walkways?</i></b>                            |                  |                   |                           |
| Repair cracks in concrete   |                  |                   |                           |
