

FEED PRICES FOR 1956-57 FEEDER'S DAY REPORTS

(NOTE: Feed prices given below are those for the trials conducted during the fall and winter of 1956-57. For work conducted in the summer of 1956, and reported herein, feed prices are the same as given in the 1956 Feeders' Day Report [Misc. Pub. MP-45]. Where two or more years of work are summarized, the feed prices used may be found in the annual reports 1954-55, MP-43, and 1955-56, MP-45).
