

## Poultry Waste Management Education Requirements

Registered poultry operators and certified poultry waste applicators are required to attend:

- 9 hours of initial education within the first year of becoming registered or licensed
- 2 hours of continuing education each year until receiving a total of 19 training hours.

Upon receiving the 19 required hours, the operator or applicator will attain graduate status but shall be required to receive:

- 2 hours of continuing education every 3 years thereafter.

If you became a graduate during 2021 you must attend a minimum of one continuing education class during the 3-year block:

Jan. 1, 2022 - Dec. 31, 2024

### CONTINUING EDUCATION 2-HOUR CLASSES VIA VIDEO RECORDING

Producers and applicators wishing to avoid large public meetings, or if driving distance is an issue, can view recordings of our trainings at their local county extension office. These viewings can be scheduled at any participating OSU Extension Office in Oklahoma. Appointments should be made beginning October 1st. Video viewings should be completed no later than December 15th.

***PLEASE DO NOT  
Wait until the last minute.***

You must sign in to receive credit and will be given your attendance certificate at the completion of the training.

Initial 9 Hour classes will include a complementary lunch.

To insure that adequate class materials and meal preparations can be made,

**please RSVP no later than October 9th for Poteau or by November 6th for Stillwell**
