CHICKASHA FIELD DAY

April 30, 2021 | 9:00 a.m.

Join the annual Chickasha Field Day to learn about wheat varieties, breeding, disease and management. Participants may attend in-person or view a recording of the event via YouTube.* CDC guidelines will be followed by all attendees, including social distancing and face masks. Hand sanitizer and face masks will be provided. If you are feeling unwell, please stay home.
