Mental/Behavioral Health:

- Systems of Care
Lyn Brown Care Coordinator 580-273-4448
Debbie Price, Family Support Provider-580-334-3265
Through a process called Wraparound Systems of Care, staff assists families who have children with emotional/behavioral issues in developing and carrying out their own individualized plan. The plan focuses on meeting the needs of the child and entire family. Family strengths and culture are used to meet needs and reach goals. Above all, every family has ownership of the decisions that affect their lives.
