

OHCE History STATE GOALS – 2020

Goals for OHCE History:

1. Continue to encourage each county and local group to appoint a historian to keep important records for that county or group.
 - a. Encourage county and local group historians to submit items for archive to the State Historian.
2. Collect an oral history from more mature OHCE members or members of your community.
3. Collect information on the newest local groups – date formed and how they came about?
4. Gather other pertinent OHCE history items.
5. Encourage historians to get a paragraph written by their County Presidents about the achievements during their term. It's a great way to create a history in your county.
6. Communicate with OSU Library Archives regarding storage of items that won't fit in a folder.
7. Provide a workshop at Districts or State Meeting.
