

EXTENSION

# 2022 AT-A-GLANCE

## 2022 STATISTICS:

- ▶ **621,000** contacts through educational events
- ▶ **2,471,793** visitors to our websites
- ▶ **1,540** fact sheets

## OFFICES AND PERSONNEL SERVING ALL 77 COUNTIES

Find county Extension offices online:  
[extension.okstate.edu](https://extension.okstate.edu)

## FAMILIES

Our Co-Parenting for Resilience program was offered in person 329 times, both in spanish and English and attended by 1181 participants. We also launched an online version of the course in English to help meet demand which had over 3,000 Oklahomans enroll. In 2022:

**91%** of in person **program graduates** are more likely to **encourage their children to have a positive relationship with the other parent**

**82%** are **more likely to jointly parent with their former partner**, viewing their child's other parent as a valued team member

## AGRICULTURE

Across the state, 42% of urban Oklahomans live in low income and food insecure households. Food insecurity costs the state an estimated \$1.4 billion a year. In 2022:

**25 WEEKS**

OSU hosted Eastside Fresh farmers market in urban Oklahoma City

**\$26K**

worth of sales for small and beginning farmers while increasing food access in low-income neighborhoods

# HORTICULTURE PROGRAM

Horticulture inquiries comprise, on average, over 50% of all public contacts for OSU Extension. In 2022:

**22** of Oklahoma's 77 counties produced **665 community programs**

**5,848** pounds of food were **donated** to nonprofit organizations **by our Master Gardener volunteers**

# 4-H YOUTH DEVELOPMENT

OSU 4-H's ATV Safety Training program reached 885 and 100 adults at schools and community events with education about safe ATV handling. In 2022:

**120** helmets were distributed to youth which can reduce ATV related deaths by 40%

**11,339** 4-H members were enrolled in 2022

**425** youth and adults from around the state were hosted by Oklahoma 4-H for a hands-on Night at the Science Museum

# HEALTH

Oklahoma ranks 45th in the nation for health statistics with high rates of obesity and poor dietary habits. OSU Extension is working to change these outcomes for our state's youth. In 2022:

**46,000** Oklahomans reached by OSU's Family and Consumer Science programs

**13,589** Youth participated in healthy eating and physical activity programs

**79%** of participants across all programs report improved ability to choose healthy foods after participation

# VOLUNTEERS

OSU Extension increases our ability to bring research-based programs to communities through our highly skilled volunteers. In 2022 Extension saw:

**124** active Master Family and Consumer Science volunteers

**839** adult 4-H volunteers

**1,049** Master Gardener Volunteers

**100,000** hours of volunteer service contributed to their communities
